The Parks, Recreation and Neighborhood Services Department strives to be an unsurpassed leader in providing arts and recreational opportunities for Las Vegas residents and visitors by offering exceptional, innovative, creative experiences through diverse and inclusive programs that promote healthy lifestyles. We are fully accredited by the Commission for Accreditation of Park and Recreation Agencies (CAPRA), confirming that the department meets the operational standards established by the National Recreation and Park Association.

The city of Las Vegas also recognizes and respects the unique differences that exist in our community's individuals and cultures and endeavors to provide an environment where people of all ages, abilities and backgrounds are welcome and appreciated.

The city of Las Vegas Parks, Recreation and Neighborhood Services Department prohibits discrimination based on race, color, national origin, age or disability in its programs and activities. If any individual believes he or she has been discriminated against, he or she may file a discrimination complaint with the Director, Equal Opportunity Program, U.S. Department of the Interior, National Park Service, P.O. Box 47127, Washington, DC 20013-7127.

Welcome to the city of Las Vegas Parks, Recreation and Neighborhood Services Department where our services and programs go ***Beyond the Neon*** and offer user-friendly services, high safety standards and state-of-the-art facilities and amenities. Over the summer months, many of you have noticed that several of our facilities have undergone modifications with renewable solar energy carports and we have additional facilities that are still in the process of being upgraded. We apologize for the mess and any inconvenience; however, the long term sustainable solar energy makes it all worthwhile. I am also happy to share that with this publication, we have two newly elected public officials, Mayor Carolyn G. Goodman representing the great city of Las Vegas and Councilman Bob Coffin representing Ward 3. Both were sworn in on July 6, 2011.

As you view the contents of this publication, I hope you become more familiar with the variety of recreational programs and neighborhood oriented programs. We offer sports classes and leagues, cooking and art classes/workshops, martial arts programs, music programs and educational opportunities for young children and adults. In the area of neighborhood oriented programs, we offer neighborhood organizing, volunteer opportunities (i.e., Adopt-A-Block and Parks Ambassador Program), grant funding for neighborhood improvement projects through the Neighborhood Partners Fund (NPF) and Youth Neighborhood Association Partnership Program (YNAPP).

As you can see, the Parks, Recreation and Neighborhood Services (PRNS) Department continues to provide a diverse set of programs and services that enhance the quality of life for participants of all ages and abilities. PRNS offers a medley of traditional and innovative programs and services including the various sports and recreational classes offered at our facilities and sport fields.

We continue to strive for excellent customer service. If you would like to give us feedback, please feel free to contact our offices at **(702) 229-6297** or **229-2330**. You can also e-mail us at **neighborhoodsonline@lasvegasnevada.gov**. We look forward to hearing from you.

Sincerely,

Stephen Harsin, AICP, Director

LEARN TO SWIM

CLASS DESCRIPTIONS

The city of Las Vegas is proud to offer the newly updated American Red Cross Swimming and Water Safety program, which combines the best in swim instruction with an even stronger emphasis on drowning prevention and water safety. This program is ideal for anyone who wants to enjoy the water safely, regardless of age or skill level. Throughout the three levels of the preschool aquatics program, preschool-age children (about 4-5) are taught basic safety and survival skills. They are also encouraged to gain greater independence and increase their comfort level in and around the water.

PARENT AND CHILD

These classes are for children ages 18 months-3 years old and must be accompanied by a parent or guardian in the water, at every class meeting. These classes are for children with little or no experience in the water. Parents and children learn together to increase their child's comfort level in the water and build a foundation of basic skills. All children must wear a swim diaper.

PRESCHOOL LEVEL 1

This class is intended for children 4-5 years who have had little or no experience in the water. Water safety and water exploration are the main objectives. No parent or guardian is required to be in the water.

PRESCHOOL LEVEL 2

This class is intended for children 4-5 years who have had some experience in the water. In addition to learning about water safety and water exploration, students build on skills taught in preschool level 1. Students learn greater independence and more ways to complete certain skills. No parent or guardian is required to be in the water.

PRESCHOOL LEVEL 3

This class is intended for children 4-5 years who have had experience in the water. Students build on skills taught in preschool level 2. Students learn how to jump in, front, back and jellyfish floats, and emphasis on swimming on the front and back for greater distances. No parent or guardian is required to be in the water.

Designed to help participants achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers of all ages and varying abilities develop their water safety, survival and swim skills.

LEVEL 1 – INTRODUCTION TO WATER SKILLS

This class is intended for children 6-11 who have little or no water experience. Water exploration and water safety are the main objectives. Students will begin to develop some primary skills and learn how to achieve a comfort level in the water.

LEVEL 2 – FUNDAMENTAL AQUATIC SKILLS

This class is intended for children 6-11 years who have completed or show competency in Level 1 skills. Students will voluntarily submerge and will begin to acquire forward locomotion skills on both front and back.

LEVEL 3 – STROKE DEVELOPMENT

This class is intended for children 6-11 years who have completed or show competency in Level 2 skills. This is also the level to sign up for if a student passes pre-school aquatics level 3. Students must float and swim on the front and the back without support. Students must be able to enter and exit deep water with ease, tread water, and retrieve submerged objects in shallow water.

LEVEL 4 – STROKE IMPROVEMENT

This class is intended for children 6-11 years who have completed or show competency in Level 3 skills. Students will work to improve all skills with emphasis on form and stroke efficiency. Students must be able to perform dolphin kick, scissor kick, elementary backstroke and front crawl with rotary breathing.

LEVEL 5 – STROKE REFINEMENT

This class is intended for children 6-11 years who have completed or show competency in Level 4 skills. Class activities will stress endurance with stroke work in the front crawl, back crawl, butterfly, breaststroke, elementary backstroke and sidestroke. Students must be able to perform surface dives, tread water using two different kicks, swim breaststroke, sidestroke and butterfly.

LEVEL 6 – SWIMMING AND SKILL PROFICIENCY

This class is intended for children 6-11 years who seek mastery of primary swimming skills. There are three special options offered. Activities include refining front and back flip turns, shallow angle dives, how to set up a swim workout and further refinement of all primary strokes, with emphasis on swimming greater distances.

Fitness Swimmer – Achieve a higher level of fitness.

Personal Water Safety – For those seeking a solid understanding of being safe in a water environment.

Fundamentals of Diving – Learn how to safely dive from poolside and the diving board.

TEEN/ADULT

This class is intended for teens (12 years and up) and adults who seek mastery of primary swimming skills; controlling breathing, floating without support and forward locomotion with a coordinated arm and leg action.

FEES		
M/W	(6) six classes	\$25
T/Th	(6) six classes	\$25
Sa	(6) six classes	\$25

Please note: Classes may be canceled due to lack of enrollment (minimum four) or unscheduled pool closures. Parent and child classes are 30 minutes in length. All other levels are 45 minutes in length.

POOL RULES

1. Each child under 7 years old or under 48" tall must be accompanied by an adult 18 or older at all times. One parent per one child-no exceptions.
2. The lifeguard on duty reserves the right to administer a swim test to any patron. The swim test consists of one length (25 yards) of freestyle.
3. Weak or non-swimmers will not be allowed to swim in any deep water, go off the diving boards or use the slide.
4. Please do not run. Walk slowly.
5. No running dives into the pool.
6. No diving from the starting blocks unless under direct supervision of a qualified coach.
7. No diving in the shallow end at any time.
8. Prolonged breath holding or hypoxic training is strictly prohibited.
9. A minimum of eight feet of water depth is required for head first dives from the pool deck. Only use areas designated by the lifeguard.
10. No dunking, pushing, fighting, excessive splashing, abusive language or horseplay.
11. No glass, gum, food or drink (with the exception of bottled water) on the pool deck. Food and plastic bottle drinks are allowed in the grassy areas and in the concession room.

12. All swimmers must wear suitable swim attire. No cut-offs, shorts with frayed edges, jean shorts, leotards, underwear, bras, thong bikinis or t-shirts at any time.
13. Young children must wear an approved swim diaper. Diapers may be purchased at the front desk.
14. Only United States Coast Guard approved flotation equipment may be used as a flotation device in the pool. Lifejackets are available at all pools free of charge for day use only.
15. Lap lanes are for lap swimmers or lap walkers only. Lanes will be specified.
16. The city of Las Vegas is not responsible for lost or stolen items.
17. No smoking is allowed inside or within 30 feet around the vicinity of the facility.
18. Locker room rules must be followed. No washing of clothes, excessive shower use and no overnight locker usage.
19. There will be pool breaks during recreational swim hours.
20. We do not allow patrons to pay for the use of the showers or restrooms only.

Locker Room Rules

1. Do not leave personal items unattended in the locker rooms at any time.
2. Duration of showers are to be kept to a minimum; shower faucets should be turned off after showering.
3. Parents with a child who is over the age of six and of the opposite sex should bring the child to the pool dressed and ready to swim prior to using the facility. In the event that the child needs to use the restroom, the lifeguard will escort the child to the appropriate facility.

Failure to comply with any of the facility rules may result in expulsion. No person shall fail to obey any lawful directive of a recreational employee (lifeguard, swim instructor, pool manager, supervisor) Municipal Code 13.36.040.

MEL C. KALAGIAN DOWNTOWN SENIOR SERVICES CENTER

310 S. Ninth St., 2nd Floor (Ninth and
Bridger)

(702) 229-6596

Monday-Thursday, 8:30 a.m.-5 p.m.;
by Appointment only

You may be asking yourself “Just what does the Senior Citizens Law Project (SCLP) do?” The answer is: We provide free legal assistance in civil matters to Clark County residents 60 years of age and older. We can assist you with a variety of civil law concerns including estate planning, long-term healthcare preparation, consumer law, simple probate, simple bankruptcy, asset protection, public entitlements such as Social Security, housing issues and document preparation. Unfortunately, we are not allowed to provide any help in criminal matters.

Now that you know what we do, you may be thinking “Why would I need the SCLP?” There are a number of reasons you may need our assistance. First, if you are new to Nevada, you may need to update your estate planning and long-term healthcare documents. If you are having trouble with your Social Security benefits, we can help you to resolve problems or assist you in receiving the proper benefits. If you went to the DMV and discovered they wouldn’t issue you a driver’s license because the name you have used for decades doesn’t match what’s on your birth certificate, we can help you complete a legal name

change. If you own a home or car, we can show you how to leave it to someone without it going through probate. We also provide direction in dealing with and resolving consumer issues. We will write letters to creditors on your behalf and assist with other aspects of consumer law. The list goes on and on. So, you now understand some of the more common things we can do for you.

At this point, you may want to know how to contact us. Our office is located at 310 S. Ninth St. in downtown Las Vegas (Ninth and Bridger). We are open Monday through Thursday from 8:30 a.m. to 5 p.m. Sorry, we are closed on state and federal holidays. Appointments are required in order to see an attorney.

However, we do conduct group seminars in our office on a regular basis and within the community at a variety of locations. The seminars in our office require a reservation, but the community events do not. If you are interested in an appointment or attending one of our group or community events, please give us a call at **(702) 229-6596**. We are happy to answer your questions and assist you in whatever way we can. We look forward to seeing you!

EXPLORE AND LEARN

Families participate in fun activities that promote thinking, language, gross and fine motor skills, as well as social emotional and self-help skills for children ages 9 weeks to 35 months of age. Occupational, physical or speech therapist will visit the classes on occasion for consultation and give additional strategies. Parents are required to attend with the child and siblings outside the age range are also welcome to attend.

The session lasts eight weeks for an hour and a half each class. The purpose of the class is to teach families “hands-on” fun, with educational components that can be used outside the class. Each component taught will be explained so that the skill taught can be reinforced outside the class.

EDUCATION

These early childhood learning programs emphasize creative, social and emotional development in a recreational setting. Art, music, language and motor skills activities are included daily. Your child will benefit from all the fun and enjoyment our qualified instructors put into their program planning. For the ABC Academy your child must be 3 years old by Aug. 31, 2010. For 123 Discovery & Kinder Express your child must be 4 years old by Sept. 30, 2010. Participants for all courses except Toddler Express are selected based on a lottery. Please call **(702) 229-6359** to be placed on a wait list. Payment for the following month must be received by the last day of class, each month. No snacks will be served. Fees subject to change.

MANIAKZ
PERFORMING TEAM

The Magic/Maniakz Performing Team is an advanced group of children who perform/compete at various events and competitions. This is a tryout team only. Please call **(702) 229-6359** for more information.

**Participation in this program may also include performances at additional competitive cheer events.*

Any costs associated with these performances are not included in the enrollment fees listed below and are to be paid directly to the Charleston Heights Community School Board (e.g., uniforms, participant travel expenses, competition entry fees, team photos, etc.). Any payments, outside the enrollment fees to the city of Las Vegas, and the accounting of those payments are the sole responsibility of the participant and sponsor. The city of Las Vegas is not responsible for and is to be held harmless on any issues related to the performances or additional competitive cheer events.

EXPLORE AND LEARN

Families participate in fun activities that promote thinking, language, gross and fine motor skills, as well as social emotional and self-help skills for children ages 9 weeks to 35 months of age. Occupational, physical or speech therapist will visit the classes on occasion for consultation and give additional strategies. Parents are required to attend with the child and siblings outside the age range are also welcome to attend.

The session lasts eight weeks for an hour and a half each class. The purpose of the class is to teach families "hands-on" fun, with educational components that can be used outside the class. Each component taught will be explained so that the skill taught can be reinforced outside the class.

Office Hours: Monday-Friday, 7 a.m.-7 p.m.

This before- and after-school recreational enrichment program is offered at numerous Clark County School District elementary schools, and provides a safe environment where children in kindergarten through 5th grade can receive homework assistance, have a nutritious afternoon snack, create arts and crafts projects, play sports and games and engage in other activities.

The city of Las Vegas Safekey program is proud to partner with the Southern Nevada Health District to include the Coordinated Approach to Child Health (CATCH) Kids Club as a component of our services. The CATCH program is designed to promote behaviors that assist in developing and maintaining health in school-age children. With an emphasis on healthy physical activity behaviors, participants will be involved, on a daily basis, in a variety of enjoyable physical activities. Educational topics will include sports, nutrition, personal safety, games and dance. Children will also be given opportunities to participate and practice their skills. The CATCH program component of Safekey helps support the Mayor's Healthy Lifestyle Initiative which encourages Las Vegas citizens to **Get Smart, Get Up** and **Get Out** on diet, nutrition, fitness and physical activity.

Safekey fees and hours vary per school. **Financial assistance may be available for qualifying families.**

Cash payments are NOT accepted at any Safekey elementary school site. Cash payments for Safekey will only be accepted at city of Las Vegas community center facilities. You may still make payments with a local check, debit card, credit card and money order or online at www.clvbeyondtheneon.com.

Please call **(702) 229-3399** for more information.

PARK AMBASSADORS

Get Involved Today

Thank you
in advance

Volunteering keeps you active and connects you to the community.

Park ambassadors are the eyes of the neighborhood and help keep the parks safe for everyone. In addition, they contribute their time and talents on projects at hospitals and community centers for the holidays and special occasions throughout the year.

Responsibilities include daily inspection of your park and greeting the visitors. Interested volunteers may call Stephanie Richard at (702) 229-1518 for more information.

...we can't do it without you!

MAYOR'S HEALTHY LIFESTYLE INITIATIVE

Committing to an Improved Quality of Life

Mayor Carolyn G. Goodman's vision of a healthy and active community starts with each one of us getting smart, getting up and getting out. Our award-winning parks, recreation centers, cultural centers, swimming pools and sports complexes offer something for everyone. In addition, our trail systems throughout the city provide ample opportunities for walking, bicycling or jogging.

So we invite you to join us today to begin living beyond the neon. But if you're at all apprehensive about getting involved, or really don't know where to start, please speak with a staff member. We're committed to working together with you to meet your leisure time needs as well as to improve your quality of life.

You also can visit **www.getthehealthylasvegas.org** to view any special events planned with the Mayor.

GET SMART!

Use the food pyramid as your meal-planning guide.

GET UP!

Engage in physical activity.

GET OUT!

Enroll in a class,
join a sports league,
explore trails
or picnic in one of our parks.

The city is part of **We Can!**, the federal anti-obesity program for children ages 8-13 that calls for subtle changes in the home to help combat children's weight gain. Parents, you are your children's role models! Set a good example!

DIVERSITY

The Parks, Recreation and Neighborhood Services Department strives to be an unsurpassed leader in providing parks and recreational opportunities for Las Vegas residents and visitors by offering exceptional, innovative, creative experiences through diverse and inclusive programs that promote healthy lifestyles. We are fully accredited by the Commission for Accreditation of Park and Recreation Agencies (CAPRA), confirming that the department meets the operational standards established by the National Recreation and Park Association.

The city of Las Vegas also recognizes and respects the unique differences that exist in our community's individuals and cultures and endeavors to provide an environment where people of all ages, abilities and backgrounds are welcome and appreciated.

Additionally, the Parks, Recreation and Neighborhood Services Department is committed to the fair, honest and professional treatment of all individuals and organizations with whom we serve. We fully support the Americans with Disabilities Act (ADA) and are dedicated to customer satisfaction.

If you are an individual with a disability or a parent of an individual with a disability and require program modifications, please contact the program supervisor two weeks prior to the program start date. Program modifications will be made on an individual case-by-case basis.

The city of Las Vegas Parks, Recreation and Neighborhood Services Department prohibits discrimination based on race, color, national origin, age or disability in its programs and activities. If any individual believes he or she has been discriminated against, he or she may file a discrimination complaint with the Director, Equal Opportunity Program, U.S. Department of the Interior, National Park Service, P.O. Box 47127, Washington, DC 20013-7127.

SUSTAINABILITY

For the city of Las Vegas, Sustainability is more than just being "green" – it is a way to ensure that current and future generations will enjoy the quality of life we have all worked so hard to achieve. It includes every aspect of our lives and it takes the whole community to make it work.

The city of Las Vegas will ensure the quality of life for its residents and the economic stability for the organization by implementing policies, measures, actions and practices that conserve natural resources, protect the environment and maintain the vibrant economy.

You can help us sustain the livability of our community by taking part in reusing, recycling and reducing in all you do. Every little bit makes for a big impact.

PERFORMANCE PLUS

In 2007, the city management team under the guidance of the City Council launched a new performance management initiative in an effort to increase transparency and accountability in the way the city of Las Vegas conducts business. The initiative entitled, "Performance Plus – Managing for Results" is a standardized performance management system and is linked to the city's budgeting process. Each year departments update strategic business plans that are organized by program. Each program measures the benefit customers experience as a consequence of receiving the program's services. Collecting and evaluating performance measures in strategic business plans plays a significant role in each department's decision-making by illuminating how well targets are achieved. The end result is that the city improves program efficiency and effectiveness, which in turn, provides better results for citizens. To access the city's strategic business plans, visit www.lasvegasnevada.gov/sbp.

YMCA Of Southern Nevada

***We build strong kids, strong families,
strong communities.***

SETTING THE PACE FOR FAMILY FITNESS

The YMCA of Southern Nevada has been setting the pace for family fitness and recreation in the Las Vegas Valley since 1944 through diverse programs that cater to individuals of every age and fitness level. Each year, nearly 50,000 Southern Nevadans benefit from the YMCA's aquatic, fitness, youth and family, active older adult and sports programs.

CITY PARTNERSHIP BOOSTS IMPACT

A local nonprofit organization, the YMCA partners with the city of Las Vegas to provide fitness and recreational opportunities in underserved pockets of the valley. In 2000, the YMCA entered into an agreement with the city to operate the city of Las Vegas Durango Hills Community Center. The collaboration allowed the YMCA to double its community impact.

In early 2007, the YMCA was selected to operate the city of Las Vegas Centennial Hills Community Center in the northwest valley. Located on 18 acres in Centennial Hills Park, the 98,000-square-foot community center is the city's largest leisure center. The YMCA operates these branches in addition to the YMCA-owned Bill & Lillie Heinrich YMCA, located at 4141 Meadows Lane across from the Meadows Mall.

TRADITIONAL AND INNOVATIVE PROGRAMS

The YMCA offers countless programs for individuals of every age and ability. Summer is a great time to sign up for swim lessons, youth sports and the Y's popular before and after-school programs. Visit www.lasvegasyymca.org for a full program guide.

SWIM LESSONS

In 2006, YMCAs across the country celebrated a milestone: the 100th anniversary of group swimming instruction at the YMCA. Olympic medalists Mark Spitz, Greg Louganis and Janet Evans learned how to swim at the Y. Classes include water babies, preschool and youth swim lessons, teen and adult lessons, private lessons and specialty classes. Youth ages 6-17 can even participate in YMCA Tigersharks Swim Team!

YOUTH SPORTS

Young athletes can enjoy positive sporting experiences. From basketball clinics and competitive leagues to tae kwon do, cheerleading, volleyball, gymnastics and wrestling, there's something for everyone at the Y. Even itty bitty athletes (3-5 years) have the chance to learn fundamentals and sportsmanship through programs "just their size."

TRACK BREAK CAMP

When school's out, the YMCA is in! Track break campers enjoy exciting weekly themes and affordable field trips. Camp includes swimming, arts and crafts, group games, computer learning and more.

BEFORE- AND AFTER-SCHOOL PROGRAMS

The YMCA offers before- and after-school programs for youth in kindergarten-grade 8. Transportation is provided to and from several schools. Youth receive homework assistance, foster lasting friendships, enjoy recreational activities and refuel on after-school snacks!

E-Pass

In addition, we are implementing changes to our E-Pass method of payment. E-Pass can now only be purchased 10 days (two weeks) in advance. This change is being implemented to assist in customer service.

Waiver of Claim

For ourselves, and/or on behalf of our child named above, our heirs, executors, and administrators, we hereby do expressly and forever waive and release the CITY OF LAS VEGAS DEPARTMENT OF LEISURE SERVICES, the CITY OF LAS VEGAS, and all their respective officers, employees, agents, or representatives from any and all liability for personal injury or damages, sustained, incurred, arising from, or connected with travel to, return from any and all classes, tournaments, and/or special events, and all activities related to, or in connection with said activity by ourselves or by our child. During City-sponsored programs and events, City staff may take photos of participants that may be used in professionally-designed City publications and promotional materials.

YOUTH SPORTS

NFL Flag Football League

Boys and girls are welcome to join this recreational flag football league.

Registration is limited, so please register early for these recreational leagues to allow time to form teams, set up practices and to ensure there is room for your child. Youth leagues rely on amazing people volunteering their time to coach and provide these recreational opportunities to you and your child.

Jr. NBA/Jr. WNBA Recreational Youth Basketball

The city of Las Vegas is a proud member of the Jr. NBA/Jr. WNBA Pledge to be a STAR program, which teaches sportsmanship, teamwork, attitude and respect.

Contact your local recreation center for more information.

The city of Las Vegas is an official affiliate of Keep America Beautiful (KAB), the nation's largest nonprofit community improvement organization. The mission of KAB is engaging individuals to take greater responsibility for improving their community environments.

KAB's guiding principles are:

Education: This is the key to encouraging positive behaviors toward community improvement.

Individual Responsibility: Improving communities, their environment, and quality of life all begins with personal responsibility – individuals becoming more engaged as citizens and stewards of the environment.

Public-Private Partnerships: Broad-based community alliances are essential to achieve sustainable community improvement.

Volunteer Action: By engaging volunteers we extend the reach of our education and multiply the impact of our actions.

For more information about how to get involved with Keep Las Vegas Beautiful, call (702) 229-2330.

Neighborhood Partnership Program

The Neighborhood Partnership Program provides resources through professional staff, programs, grants and other services that can assist a neighborhood in getting organized and building a stronger community. Our staff offers expertise and a network of community partners such as the Las Vegas Metropolitan Police Department, local businesses, nonprofit organizations and other resources to spur positive results. Get actively engaged in keeping your neighborhood beautiful and vibrant. Organizing a neighborhood is free. To get started, call (702) 229-2330.
